DEMAND FOR JURY TRIAL

1 Plaintiff Miyoko's, PBC (the "Company") brings this Complaint against its former CEO
2 Defendant Miyoko Schinner ("Schinner") and alleges as follows:

3 **INTRODUCTION**

4 1. This is an action by the Company to recover its trade secrets and confidential
5 information from its founder and former CEO Miyoko Schinner, and to seek redress for Schinner's
6 theft of this information.

7 2. During her tenure as the Company's CEO, Schinner proved time and again that she
8 could not manage a rapidly expanding business and could not correct performance deficiencies.
9 Schinner's business management and leadership skills were deficient and did not improve over
10 time. She could not even maintain a consistent team of executives and repeatedly missed
11 performance and financial targets.

12 3. For years, the Company's Board worked with Schinner to improve the numerous
13 performance deficiencies she exhibited as CEO. After she did not address the deficiencies, the
14 Board **unanimously** terminated her as CEO to move her to a more appropriate employee role within
15 the Company. Instead of cooperating in this transition, Schinner retaliated by stealing the
16 Company's property, including its trade secrets and confidential information.

17 4. When the Company discovered Schinner's theft and asked her to preserve evidence
18 for potential litigation and return her Company-issued laptops, Schinner responded by copying the
19 stolen property to her personal cloud storage and tried to cover her tracks by deleting the cloud-
20 sync folder and documents from Company laptops. To this day, Schinner has not accounted for
21 the whereabouts of all the Company property and information she stole.

22 5. The Company is a leading innovator in a growing market of plant-based cheese and
23 butter products. Schinner founded the Company in 2014 and was its CEO until mid-2022.

24 6. The Company has grown from a small business with a handful of employees to a
25 household name with products in thousands of stores across the country. The Company's rapid
26 growth required a CEO capable of taking on the increased responsibilities that come with an
27 expanding business and the management of a larger company.

28

1 7. Schinner could not handle these responsibilities. She continually demonstrated that
2 she lacked the necessary business and operational management skills to effectively run a rapidly-
3 expanding company and recruit and maintain a high-caliber executive team. And, when
4 performance issues were brought to Schinner’s attention, she did not take the necessary steps to
5 address them.

6 8. The Company’s Board wanted to keep Schinner as CEO because she founded the
7 Company. It initially tried to address Schinner’s poor performance through constructive feedback
8 and coaching. From 2018 forward, the Board coached Schinner on what it expected of her as CEO
9 and how she could meet and exceed the Board’s expectations.

10 9. The Board hoped that by coaching Schinner on how to overcome her performance
11 deficiencies, she could manage the Company’s expansion and remain CEO. Unfortunately,
12 Schinner failed to meet the Board’s performance targets and Company financial targets for both
13 2020 and 2021.

14 10. After learning that she did not meet 2021 performance targets, Schinner declined to
15 take responsibility and propose a plan to meet performance objectives in the future. Instead, she
16 shirked responsibility, blamed the then-President of the Company, and fired him.

17 11. Such behavior was not unusual for Schinner. Under her leadership, Schinner fired
18 seven executives. Instead of developing and maintaining a strong executive team as the Board
19 requested, she made it difficult for her direct reports to succeed. Schinner would initially rave
20 about new executives and promote them, but would later turn on a dime, villainize them, and fire
21 them.

22 12. Despite Schinner’s failure to improve, the Board continued to work with her and
23 explored alternative roles for her within the Company. The Board suggested that Schinner work
24 as Executive Chair and hire a CEO or President to manage day-to-day operations. Schinner initially
25 agreed to the proposal, but later changed her mind, and requested that she remain CEO.

26 13. The Board agreed to give Schinner another chance. But it put in place quarterly
27 objectives and key results (“OKRs”) Schinner must meet to continue as CEO.
28

1 14. Schinner failed to meet the OKRs the very next quarter (first quarter of 2022). The
2 quarter after that, Schinner’s senior leadership team brought multiple concerns about Schinner to
3 the Board and threatened to quit due to Schinner’s mismanagement.

4 15. In June 2022, based on Schinner’s continued performance problems, the Company’s
5 Board **unanimously** decided to remove her as CEO and started discussions with Schinner about a
6 new role for her within the Company. Schinner was a non-officer employee after her termination
7 as CEO.

8 16. Instead of facilitating an orderly transition, following her termination as CEO,
9 Schinner hatched a plot to steal the Company’s property, trade secrets, and confidential information
10 so that she could create a competing company.

11 17. On July 12, 2022, the Company informed its workforce that Schinner was stepping
12 down as CEO. From that point forward, Schinner intentionally disrupted Company operations and
13 signaled her intent to start her own company to compete with the Company. For example, on July
14 15, 2022, she wrote the following to the Company’s President: “I will start my own retail shop or
15 another company.”

16 18. Schinner then raided the Company’s internal cloud storage and downloaded vast
17 amounts of data, including R&D materials containing the Company’s most valuable intellectual
18 property: its proprietary recipes and plant-based culture configurations. This highly proprietary
19 information was not stored in a location accessible to Board members, but Schinner retained access
20 to this information by virtue of her continued employment with the Company after the Board
21 removed her as CEO. She also enlisted the help of now-former Company employees to carry out
22 her scheme.

23 19. At Schinner’s direction, over 24,000 documents were initially taken from the
24 Company’s internal storage and downloaded to a non-company hard drive (a Seagate OneTouch)
25 from an external IP address.

26 20. Schinner also stole the Company’s physical property. After Schinner’s employment
27 ended, she enlisted a former employee, Jennifer Kirkham, to rifle through the Company’s R&D
28

1 facility and warehouse. Video surveillance captured the two removing property from the
2 warehouse, removing cheese cultures and unreleased product prototypes from the Company's
3 industrial refrigerator—all illegally and without the Company's authorization.

1 the Company removed her as CEO but retained her as an employee for a period of time, including
2 when the facts giving rise to this Complaint began to take place.

3 **JURISDICTION**

4 27. This Court has original jurisdiction of the asserted federal law claims under the
5 Defend Trade Secrets Act, 18 U.S.C. § 1836(c), and under federal question jurisdiction pursuant to
6 28 U.S.C. § 1331. The Court has supplemental jurisdiction over the state law claims under 28
7 U.S.C. § 1357 because those claims are part of the same case or controversy.

8 **VENUE**

9 28. Venue is proper under 28 U.S.C. §§ 1391(b) and (c) because Schinner resides in
10 Nicasio, California, which is within the Northern District of California, and conducts business in
11 this District. Schinner committed the wrongful acts within this District. Venue is also proper
12 because a substantial part of the events or omissions giving rise to the claims pled herein occurred
13 in the Northern District of California and a substantial part of the property that is the subject of the
14 claims is situated in the Northern District of California. Specifically, the misappropriated trade
15 secret and confidential information was accessed, viewed, downloaded, and retained by Schinner
16 in the Northern District of California. The Company's is informed and believes that its
17 misappropriated trade secret and confidential information resides in the Northern District of
18 California on, at minimum, cloud-based storage applications within Schinner's possession.

19 **DIVISIONAL ASSIGNMENT**

20 29. This is an action for trade secret misappropriation where a substantial part of the
21 events or omissions that give rise to the claims have taken place in and where a substantial part of
22 the property that is subject to the action is situated in Sonoma County. Thus, under Civil L.R. 3-
23 2(c) and (d), this action should be assigned to the San Francisco or Oakland Division.

24 **FACTUAL ALLEGATIONS**

25 ***The Company Creates Proprietary Plaintiff-Based Cheeses, Butters, and Spreads and***
26 ***Diligently Protects its IP***

27 30. The Company is a leading innovator at the forefront of a growing market of plant-
28 based cheese and butter products. Its plant-based milks and cheeses are created with one-of-a-kind,

1 proprietary recipes and cultures. As a company devoted to bringing the world innovative plant-
2 based alternatives to staple dairy products, the Company devotes significant time and resources to
3 research and development—undertaken in a location walled off from non-R&D departments—to
4 formulate, market, and sell new and innovative products across the country.

5 31. Because its very existence as a company is based on these proprietary recipes and
6 cultures, the Company takes diligent steps to protect its trade secrets and confidential information.
7 These steps include requiring all Company employees to sign confidentiality agreements and
8 proprietary rights agreements as a condition of employment. The Company’s R&D department is
9 also walled off from other departments and employees. Access to R&D materials is limited. Its
10 employee handbook—which employees must acknowledge—reaffirms the importance of keeping
11 the Company’s trade secrets confidential.

12 ***Schinner’s Confidentiality Obligations***

13 32. As a condition of her employment, Schinner signed a Confidential Information and
14 Invention Assignment Agreement with the Company dated July 22, 2021 (“CIIA”). A true and
15 correct copy of the signed CIIA is attached hereto as **Exhibit A**. The CIIA provides in part that:

16 I agree at all times during the term of my Relationship with the Company
17 and thereafter, to hold in strictest confidence, and not to use, except for the
18 benefit of the Company, or to disclose to any person, firm, corporation or
19 other entity without written authorization of the Board of Directors of the
Company, any Confidential Information of the Company which I obtain or
create. I further agree not to make copies of such Confidential Information
except as authorized by the Company.

20 The CIIA defines “Confidential Information” to include:

21 information pertaining to any aspects of the Company’s business which is
22 either information not known by actual or potential competitors of the
23 Company or is proprietary information of the Company or its customers or
24 suppliers, whether of a technical nature or otherwise. I further understand
25 that Confidential Information does not include any of the foregoing items
which has become publicly and widely known and made generally available
through no wrongful act of mine or of others who were under confidentiality
obligations as to the item or items involved.

26 ***The Company Rapidly Grows, but Schinner Cannot Manage a Growing Business***

27 33. The Company has grown from a small business with a handful of employees to a
28

1 household name with products in thousands of stores across the country. The Company's rapid
2 growth required a CEO capable of taking on the increased responsibilities that come with an
3 expanding business and larger company.

4 34. Schinner could not handle these responsibilities. She continually demonstrated that
5 she lacked the necessary business and operational management skills to effectively run a rapidly-
6 expanding company. And, when performance issues were brought to Schinner's attention, she did
7 not take the necessary steps to address them.

8 ***The Board Coaches Schinner on its Expectations for her Role as CEO***

9 35. The Company's Board wanted to keep Schinner as CEO because she founded the
10 Company. It initially tried to address Schinner's poor performance through constructive feedback
11 and coaching. From 2018 forward, the Board coached Schinner on what it expected of her as CEO
12 and how she could meet and exceed the Board's expectations.

13 36. Specifically, the Board coached Schinner in the following areas, among others: (1)
14 the fundamentals of CEO leadership, including the importance of having a general understanding
15 of each function of the business; (2) managing expectations for employees, investors, the Board,
16 and retail partners with an eye towards over-delivering on promises; (3) taking ownership of
17 mistakes while offering proactive plans to avoid repeating them; (4) building trusted relationships
18 with executives, investors, and her entire team; (5) managing the complex operational issues
19 inherent in managing a company with multiple suppliers and multiple retail partners; (6) new
20 business generation; and (7) financial planning and budgeting.

21 ***Schinner's Performance Problems Continue Despite the Board's Coaching***

22 37. In 2019, the Company set specific goals that Schinner was responsible for achieving.
23 These goals pertained to revenue, new product introductions, manufacturing improvements, hiring
24 new executives, and a five-year innovation roadmap. Schinner failed to achieve any of them.

25 38. 2021 was no different. In the fall of 2021, the Company, under Schinner's leadership,
26 failed to meet performance objectives once again. Schinner shirked responsibility for the failure,
27 blamed the Company's then-president, and fired him.

28

1 39. Such behavior was not unusual for Schinner. Under her leadership, Schinner fired
2 seven executives. Instead of developing and maintaining a strong executive team as the Board
3 requested, she made it difficult for her direct reports to succeed. Schinner would initially rave
4 about new executives and promote them, but would later turn on a dime, villainize them, and fire
5 them.

6 40. Schinner also would make major business decisions, such as discontinuing entire
7 product lines without first consulting the Board. For example, in 2020 Schinner championed the
8 release of new cheese products that came in both slices and shreds. But then she unilaterally
9 discontinued these products in early September 2021, revealing her decision to the Board only
10 after she told key retail customers about the discontinuation of a major product line.

11 ***The Company Gives Schinner Another Chance, She Again Fails to Meet Expectations***

12 41. Despite Schinner’s failure to improve, the Board continued to work with her and
13 explored alternative roles for her within the Company. The Board suggested that Schinner work
14 as Executive Chair and hire a CEO or President to manage day-to-day operations. Schinner initially
15 agreed to the proposal, but later changed her mind, and requested that she remain CEO.

16 42. The Board agreed to give Schinner another chance. But it put in place quarterly
17 objectives and key results (“OKRs”) Schinner must meet to continue as CEO.

18 43. Schinner failed to meet the OKRs the very next quarter (first of 2022). And the
19 quarter after that, Schinner’s team brought multiple concerns about Schinner to the Board and
20 threatened to quit due to Schinner’s management.

21 ***The Company Removes Schinner as CEO***

22 44. In June 2022, the Board unanimously voted to remove Schinner as CEO, after which
23 she was a non-officer employee of the Company. On July 12, 2022, the Company informed its
24 entire workforce that Schinner was stepping down as CEO.

25 45. Three days later, on July 15, Schinner emailed the Company’s President expressing
26 her intent to start a competing company, writing: “I will start my own retail shop or another
27 company.”

28

1 46. As Schinner continued to disrupt operations, the Company noticed a board meeting
2 for July 28 (which Schinner received a few days before the meeting) to discuss whether Schinner’s
3 employment would be terminated entirely to avoid future disruptive activity.

4 ***Schinner Misappropriates the Company’s Confidential Information and Trade Secrets***

5 47. After receiving notice of the board meeting, on July 26 and 27, 2022, Schinner—
6 while still a Company employee—accessed the Company’s internal cloud storage (called “Box”)
7 and downloaded numerous Company-created folders, including both Executive and R&D
8 materials. During the July 28 board meeting, the Board decided to terminate Schinner’s
9 employment.

10 48. Forensics on Schinner’s company laptops (a Dell XPS and Lenovo ThinkPad)
11 revealed that on July 28, the day the Board terminated her employment, someone connected a non-
12 Company hard drive (a Seagate OneTouch, the existence of which Schinner has failed to disclose
13 and return) to Schinner’s Company-provided Dell XPS laptop. That person copied “outlook.pst”
14 and “backup.pst” files from Schinner’s company laptop to the Seagate hard drive, thereby allowing
15 Schinner to retain her company emails and other files that contained a wide variety of trade secrets
16 and confidential Company information.¹

17 49. Three days later, on information and belief, Schinner enlisted a now former Company
18 employee, Chris Anaya (“Anaya”), to assist her in further misappropriating confidential company
19 information. On July 31, 2022, 24,641 Company documents were downloaded using Schinner’s
20 credentials and from an IP address outside the Company previously used by Anaya.

21 50. Later that day, Schinner or someone at her direction, created a folder named “Box”
22 on Schinner’s Dell XPS company laptop. Schinner or someone at her direction, then copied
23 numerous folders from the Company’s Box cloud system to this folder. The copied folders
24

25 _____
26 ¹ While Schinner has not accounted for the property she stole and has the Company’s confidential
27 information in her possession, she did return certain company hardware, which allowed the
28 Company to conduct a forensic examination of the hardware and learn the specifics of what
Schinner did to steal confidential information after her termination as CEO and her efforts to
conceal her theft after receiving a litigation hold notice from the Company.

1 included folders with the following names: “AA Archive,” “CORPORATE,” “EXECUTIVE,”
 2 “FINANCE,” “Headshots,” “HR,” “INNOVATIL,” “INNOVATION PHOTOS,” and
 3 “OPERATIONS.”

15 51. On August 12, 2022, Anaya’s employment ended. With Anaya no longer a Company
 16 employee, on information and belief, Schinner searched for additional help to carry out her scheme
 17 to steal the Company’s confidential and proprietary information. She enlisted the help of Jennifer
 18 Kirkham (“Kirkham”). On August 15, 2022, Kirkham gave her two-week notice to the Company.

19 52. Later that same week, on a Saturday, Schinner and Kirkham accessed the Company’s
 20 R&D facility and warehouse and were surveilled—on video—removing Company property from
 21 the warehouse and removing cheese cultures from the Company’s industrial refrigerator. They did
 22 this without authorization from the Company. Schinner and Kirkham were also captured on video
 23 transferring a refrigerator from Kirkham’s car to Schinner’s moving truck:

11 53. Five days later, on August 25, 2022, Kirkham inserted a non-Company thumb drive
12 into her Company laptop (a MacBook). She downloaded a host of Company documents from Box
13 to the MacBook, *which contained a file directory not yet on Box at the time Schinner downloaded*
14 *the R&D related folders on July 27*. After downloading the Company documents to the thumb
15 drive, Kirkham delivered them to Schinner through an intermediary. After receiving the thumb
16 drive, Schinner connected it to her Lenovo company laptop and copied its contents to her personal
17 Dropbox account.

18 54. One of the folders Schinner took—titled “AA Archive”—contains imaging of the
19 computers of every former employee of the Company, including those in R&D. A sample review
20 of that folder alone contains many proprietary culture configurations used to create the Company’s
21 plant-based products. These culture configurations took years and substantial resources to develop.
22 The folder also contains many proprietary Company recipes. The other folders Schinner took from
23 the Company contained many other highly proprietary and confidential documents.

24 ***The Company Discovers Schinner’s Misappropriation and Notifies Her of Her***
25 ***Preservation Obligations***

26 55. On September 8, 2022, the Company first became aware that Schinner had potentially
27 acted improperly as an employee by taking company documents and information and began to
28 investigate. Counsel for the Company advised Schinner’s counsel on two separate occasions of

1 Schinner’s legal obligations to preserve all documents and information related to the matter. On
2 September 15, 2022, counsel for the Company sent Schinner’s counsel a detailed document
3 preservation letter, and followed up five days later with an email, stating:

4 [], it bears repeating that [Schinner] should not at this point on her own even turn
5 on these company provided laptops, let alone delete anything from them; without
6 the parties first agreeing on the approach to ensure that the company gets all of its
7 files and property back, while also ensuring that [Schinner] gets any personal files
8 she may have placed on those laptops.

9 (Email from M. Danzig to R. Idell, September 20, 2022.)

10 56. On September 16, 2022, the Company, through its counsel, demanded that Schinner
11 return all company computers, the thumb drive, any other hardware containing company documents
12 and information, and all other Company property. The Company’s counsel followed up with
13 Schinner’s counsel on September 20 and September 22 to retrieve the Company’s property from
14 Schinner. On September 22, Schinner’s counsel advised that he was meeting with Schinner later
15 that day to arrange the return of Company property. Yet, it was not until September 27 that
16 Schinner turned over some Company property.

17 ***Schinner Flouts her Preservation Obligations***

18 57. During this period of time (September 15 through September 27, 2022), despite
19 correspondence cautioning that in keeping with her preservation obligations Schinner should not
20 even turn on the Company computers, forensics revealed that Schinner took the following actions
21 *after* the Company’s two preservation notices:

- 22 • September 22, 2022: Schinner logged into the Lenovo Company laptop and searched:
23 “how to remove dropbox from my computer.”

- September 27, 2022: Schinner accesses a spreadsheet from the Dell called “CHEESE EXPERIMENTS.xlsx” located in her Google Drive.

58. Many of the file names of the documents Schinner wiped from the laptops appear to reflect proprietary recipes of the Company:

1 ***Schinner Copies the Company’s Trade Secrets to her Personal Dropbox and Google***
2 ***Drive***

3 59. Forensics further confirmed that Schinner, without permission or authorization from
4 the Company, backed up nearly the entire contents of the Company’s documents from her
5 Company-issued laptops to her personal Dropbox and Google Drive. Her subsequent return of the
6 two laptops to the Company effectively amounted to her only returning the depreciated value of
7 the laptop hardware while keeping for herself a duplicate of all of the Company’s most valuable,
8 confidential and proprietary information and IP in her personal cloud accounts. After discovering
9 all of the foregoing forensic information about Schinner’s access to, copying of and deletion of
10 valuable, confidential and proprietary information, the Company exhausted all reasonable efforts
11 to get Schinner to return all copies of the Company’s confidential and proprietary information and
12 to provide credible assurances of same. Schinner refused, thereby necessitating this action.

13 ***Schinner Fails to Repay a Promissory Note***

14 60. On or about September 25, 2020, the Company and Schinner entered into a written
15 agreement titled Full Recourse Promissory Note (the “Promissory Note”). A true and correct copy
16 of the Promissory Note is attached hereto as **Exhibit B**. Under the Promissory Note, Schinner
17 agreed to pay the Company the principal amount of \$112,500 plus interest accruing on the
18 outstanding principal following on the 60th day following the termination of her employment. To
19 date, Schinner has made no such payment and is in default.

20 **FIRST CAUSE OF ACTION**

21 **(Breach of Contract)**

22 61. The Company realleges and restates all prior paragraphs as if fully restated herein.

23 62. The CIIA signed by Schinner is a valid and enforceable contract. The confidentiality
24 covenants and other provisions contained in the CIIA are reasonably necessary to protect legitimate
25 protectable interests in the Company’s confidential, proprietary, and trade secret information.

26 63. The Company has fully performed all of its obligations under the CIIA.

27 64. After her removal as CEO of the Company, Schinner copied, took, and retained the
28 Company’s confidential information and trade secrets in direct violation of the provisions of the

1 CIIA, which required her to hold such information “in strictest confidence, “not to use,” and “not
2 to make copies” without Company authorization.

3 65. Schinner breached the CIIA after her removal as CEO by, at a minimum, accessing
4 and taking Company cheese cultures and other products from the Company’s facilities and by
5 copying, downloading, and then retaining the Company’s trade secrets and confidential information
6 in her personal cloud-based storage accounts without Company authorization to, on information
7 and belief, unlawfully use for her own benefit.

8 66. Despite the Company’s counsel alerting Schinner’s counsel of her preservation
9 obligations, including not logging into her Company-issued laptops, Schinner deleted, scrubbed, or
10 otherwise modified the contents of her Company-issued computers after being notified of her
11 preservation obligations and before returning them. These efforts by Schinner obscured the details
12 relating to her use of the Company’s trade secret information, and any decision to improperly retain
13 the Company’s trade secret information in violation of, at least, the CIIA.

14 67. As a result of Schinner’s breaches of the CIIA after her removal as CEO, the
15 Company has suffered and continues to suffer monetary and non-monetary injury and harm in an
16 amount to be proven at trial. The documents that Schinner has improperly retained are the product
17 of substantial research and development work by the Company over a period of many years.
18 Schinner’s actions have threatened the Company with losing its competitive advantage, trade
19 secrets, customers, and goodwill in amounts that would be impossible to fully compensate the
20 Company unless Schinner is enjoined and restrained by order of this Court.

21 **SECOND CAUSE OF ACTION**

22 **(Violation of the Defend Trade Secrets Act - 18 U.S.C. § 1836 *et seq.*)**

23 68. The Company realleges and restates all prior paragraphs as if fully restated herein.

24 69. The Company is the owner of trade secret and confidential information, including
25 but not limited to, its proprietary, plant-based recipes and culture configurations used to create its
26 unique products that constitute “trade secrets” within the meaning of 18 U.S.C. § 1839(3).
27
28

1 70. The above-detailed trade secret and confidential information that Schinner, after her
2 termination as CEO, accessed, used, copied, forwarded, downloaded, and retained derives
3 independent economic value, both actual and potential, from not being generally known to and not
4 being readily ascertainable through proper means by the Company's competitors, or to other
5 persons or entities who might obtain economic value from their disclosure or use. These trade
6 secrets are also the product of years of research and development at substantial cost to the
7 Company. These trade secrets form the foundation of the Company's competitive position in the
8 market of plant-based dairy products.

9 71. At all times relevant herein, the Company has taken reasonable measures to protect
10 the secrecy of its trade secrets and confidential information, including those which Schinner has
11 misappropriated.

12 72. The Company's trade secret and confidential information relate to products or
13 services used, sold, purchased, or transported, or intended for use, sale, purchase, or transport,
14 across the country and throughout the world.

15 73. Following her termination as CEO, Schinner misappropriated the Company's trade
16 secrets and confidential information during an employer-employee relationship knowing that when
17 she accessed, copied, forwarded, took, and retained them she did so after her removal as CEO and
18 in violation of, at minimum, her contractual obligations to maintain secrecy under the CIIA.

19 74. Schinner's improper acquisition and/or unauthorized use or disclosure, actual or
20 threatened, violates the Defend Trade Secrets Act ("DTSA").

21 75. As a direct and proximate result of Schinner's conduct, the Company has been
22 injured, and is threatened with further injury, in an amount that will be proven at trial. The
23 Company has also incurred, and will continue to incur, additional damages, costs, and expenses,
24 including attorneys' fees, as a result of Schinner's misappropriation. As a further proximate result
25 of her misappropriation and use of the Company's trade secrets, Schinner has been unjustly
26 enriched.

1 81. At all times relevant herein, the Company has taken the above-described reasonable
2 measures to protect the secrecy of its trade secrets and confidential information, including that
3 which Schinner has misappropriated.

4 82. Schinner misappropriated the Company's trade secrets and confidential information
5 during an employer-employee relationship, knowing that when she accessed, copied, forwarded,
6 took, and retained them she did so after she was removed as CEO and in violation of at minimum
7 her contractual obligations to maintain secrecy under the CIIA.

8 83. Schinner's improper acquisition and/or unauthorized use or disclosure, actual or
9 threatened, violates the Uniform Trade Secrets Act ("UTSA").

10 84. As a direct and proximate result of Schinner's conduct, the Company has been
11 injured, and is threatened with further injury, in an amount that will be proven at trial. The
12 Company has also incurred, and will continue to incur, additional damages, costs, and expenses,
13 including attorneys' fees, as a result of Schinner's misappropriation. As a further proximate result
14 of the misappropriation and use of the Company's trade secrets, Schinner has been unjustly
15 enriched.

16 85. Schinner's conduct has been willful and malicious, justifying an award of exemplary
17 damages. As described in detail above, after being removed as CEO, she took and retained
18 Company proprietary products and cheese cultures as well as thousands of documents, including
19 imaging of every former employee's computer in R&D sequestered in the "AA Archive" folder.
20 And after the Company's counsel notified Schinner of her preservation duties, she accessed her
21 Company-issued computers, copied the Company's trade secrets to her personal cloud-based
22 platforms and deleted thousands of documents from the computers before eventually returning the
23 computers themselves.

24 86. Schinner's conduct constitutes transgressions of a continuing nature for which the
25 Company has no adequate remedy at law. Unless and until enjoined and restrained by order of this
26 Court, Schinner may continue to retain and use the Company's trade secret information to enrich
27
28

1 herself and divert business from the Company to her. The Company is entitled to an injunction
2 against Schinner's actual and threatened potential violation of the UTSA.

3 **FOURTH CAUSE OF ACTION**
4 **(Breach of Duty of Loyalty)**

5 87. The Company realleges and restates all prior paragraphs as if fully restated herein.

6 88. Following her removal as CEO, Schinner was a non-officer employee of the
7 Company until her termination on August 12, 2022. As an employee of the Company, Schinner
8 owed a duty of loyalty to the Company. This duty required Schinner, among other obligations, not
9 to acquire and use the Company's trade secret and confidential information for her own purposes.

10 89. Schinner, after her removal as CEO while she remained an employee of the
11 Company, knowingly acted against the Company's interests in connection with her
12 misappropriation of the Company's trade secrets and confidential information and in violation of
13 her contractual obligations under the CIIA described herein.

14 90. The Company did not authorize Schinner's unlawful actions taken against the
15 interests of Company.

16 91. As a direct and proximate result of Schinner's conduct, the Company has been
17 injured, and is threatened with further injury, in an amount that will be proven at trial. The
18 Company has also incurred, and will continue to incur, additional damages, costs, and expenses,
19 including attorneys' fees, as a result of Schinner's breach of her duty of loyalty and acts of
20 misappropriation. As a further proximate result of Schinner's breach of her duty of loyalty and
21 acts of misappropriation, Schinner has been unjustly enriched.

22 92. Schinner's conduct has been willful and malicious, justifying an award of exemplary
23 damages. As described in detail above, after being removed as CEO, Schinner took Company
24 products and cheese cultures and retained thousands of documents, including imaging of every
25 former employee's computer in R&D sequestered in the "AA Archive" folder. And after the
26 Company's counsel notified Schinner of her preservation duties, she accessed her Company-issued
27
28

1 computers, copied the Company's trade secrets to her personal cloud-based platforms and deleted
2 thousands of documents from the Company's computers before eventually returning them.

3 **FIFTH CAUSE OF ACTION**

4 **(Breach of Promissory Note)**

5 93. The Company realleges and restates all prior paragraphs as if fully restated herein.

6 94. On or about September 25, 2020, Schinner executed the Promissory Note.

7 95. Under the Promissory Note, Schinner agreed to pay the Company the principal
8 amount of \$112,500 plus interest accruing on the outstanding principal following on the 60th day
9 after the termination of her employment.

10 96. The Company terminated Schinner's employment effective August 12, 2022.

11 97. Schinner has defaulted on the payment, and there is now due and owing \$112,500 in
12 principal, plus interest accruing from October 11, 2022.

13 **PRAYER FOR RELIEF**

14 WHEREFORE, the Company prays for judgment in its favor and against Schinner as
15 follows:

16 1. Awarding damages as described in each of the above claims, in favor of the Company
17 and against Schinner in amounts to be determined at trial;

18 2. Granting injunctions against Schinner, requiring her to return all stolen information
19 and documents (and all material derivative from such information) to the Company and enjoining
20 Schinner from further misappropriating or using the Company's trade secrets and confidential
21 information, and other such injunctive relief as is proper;

22 3. Awarding punitive and exemplary damages in favor of the Company and against
23 Schinner in an amount to be determined at trial;

24 4. Awarding the Company pre-judgment and post-judgment interest, attorneys' fees and
25 costs, and other expenses incurred in this action; and

26 5. Granting the Company such other further relief as this Court deems just and proper.

EXHIBIT A

CONFIDENTIAL INFORMATION AND INVENTION ASSIGNMENT AGREEMENT

As a condition of my becoming employed (or my employment being continued) by MIYOKO'S, PBC, a Delaware corporation or any of its current or future subsidiaries, affiliates, successors or assigns (collectively, the "Company"), and in consideration of my employment with the Company and my receipt of the compensation now and hereafter paid to me by the Company, I agree to the following:

1. **Employment Relationship.** I understand and acknowledge that this Agreement does not alter, amend or expand upon any rights I may have to continue in the employ of, or the duration of my employment with, the Company under any existing agreements between the Company and me or under applicable law. Any employment between the Company and me, whether commenced prior to or upon the date of this Agreement, shall be referred to herein as the "Relationship."

2. **At-Will Relationship.** I understand and acknowledge that my Relationship with the Company is and shall continue to be at-will, as defined under applicable law, meaning that either I or the Company may terminate the Relationship at any time for any reason or no reason, without further obligation or liability.

3. **Confidential Information.**

(a) **Company Information.** I agree at all times during the term of my Relationship with the Company and thereafter, to hold in strictest confidence, and not to use, except for the benefit of the Company, or to disclose to any person, firm, corporation or other entity without written authorization of the Board of Directors of the Company, any Confidential Information of the Company which I obtain or create. I further agree not to make copies of such Confidential Information except as authorized by the Company. I understand that "Confidential Information" means any Company proprietary information, technical data, trade secrets or know-how, including, but not limited to, research, product plans, products, services, suppliers, customer lists and customers (including, but not limited to, customers of the Company on whom I called or with whom I became acquainted during the Relationship), prices and costs, markets, software, developments, inventions, laboratory notebooks, processes, formulas, recipes, technology, designs, drawings, engineering, marketing, licenses, finances, budgets or other business information disclosed to me by the Company either directly or indirectly in writing, orally or by drawings or observation of parts or equipment or created by me during the period of the Relationship, whether or not during working hours. I understand that "Confidential Information" includes, but is not limited to, information pertaining to any aspects of the Company's business which is either information not known by actual or potential competitors of the Company or is proprietary information of the Company or its customers or suppliers, whether of a technical nature or otherwise. I further understand that Confidential Information does not include any of the foregoing items which has become publicly and widely known and made generally available through no wrongful act of mine or of others who were under confidentiality obligations as to the item or items involved.

(b) **Former Employer Information.** I represent that my performance of all terms of this Agreement as an employee of the Company has not breached and will not breach any

agreement to keep in confidence proprietary information, knowledge or data acquired by me in confidence or trust prior or subsequent to the commencement of my Relationship with the Company, and I will not disclose to the Company, or induce the Company to use, any inventions, confidential or proprietary information or material belonging to any previous employer or any other party.

(c) **Third Party Information.** I recognize that the Company has received and in the future will receive confidential or proprietary information from third parties subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. I agree to hold all such confidential or proprietary information in the strictest confidence and not to disclose it to any person, firm or corporation or to use it except as necessary in carrying out my work for the Company consistent with the Company's agreement with such third party.

4. **Inventions.**

(a) **Inventions Retained and Licensed.** I have attached hereto, as Exhibit A, a list describing with particularity all inventions, original works of authorship, developments, improvements, and trade secrets which were made by me prior to the commencement of the Relationship (collectively referred to as "Prior Inventions"), which belong solely to me or belong to me jointly with another, which relate in any way to any of the Company's proposed businesses, products or research and development, and which are not assigned to the Company hereunder. If, in the course of my Relationship with the Company, I incorporate into a Company product, process or machine a Prior Invention owned by me or in which I have an interest, the Company is hereby granted and shall have a non-exclusive, royalty-free, irrevocable, perpetual, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, sell and otherwise distribute such Prior Invention as part of or in connection with such product, process or machine.

(b) **Assignment of Inventions.** I agree that I will promptly make full written disclosure to the Company, will hold in trust for the sole right and benefit of the Company, and hereby assign to the Company, or its designee, all my right, title and interest throughout the world in and to any and all inventions, original works of authorship, developments, concepts, know-how, improvements or trade secrets, whether or not patentable or registrable under copyright or similar laws, which I may solely or jointly conceive or develop or reduce to practice, or cause to be conceived or developed or reduced to practice, during the period of time in which I am employed by the Company (collectively referred to as "Inventions"), except as provided in Section 4(e) below. I further acknowledge that all inventions, original works of authorship, developments, concepts, know-how, improvements or trade secrets which are made by me (solely or jointly with others) within the scope of and during the period of my Relationship with the Company are "works made for hire" (to the greatest extent permitted by applicable law) and are compensated by my salary, unless regulated otherwise by the mandatory law of the state of California.

(c) **Maintenance of Records.** I agree to keep and maintain adequate and current written records of all Inventions made by me (solely or jointly with others) during the term of my Relationship with the Company. The records may be in the form of notes, sketches, drawings, flow charts, electronic data or recordings, laboratory notebooks, and any other format.

The records will be available to and remain the sole property of the Company at all times. I agree not to remove such records from the Company's place of business except as expressly permitted by Company policy which may, from time to time, be revised at the sole election of the Company for the purpose of furthering the Company's business.

(d) **Patent and Copyright Rights**. I agree to assist the Company, or its designee, at the Company's expense, in every proper way to secure the Company's rights in the Inventions and any copyrights, patents, trademarks, mask work rights, moral rights, or other intellectual property rights relating thereto in any and all countries, including the disclosure to the Company of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments, recordations, and all other instruments which the Company shall deem necessary in order to apply for, obtain, maintain and transfer such rights and in order to assign and convey to the Company, its successors, assigns and nominees the sole and exclusive rights, title and interest in and to such Inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating thereto. I further agree that my obligation to execute or cause to be executed, when it is in my power to do so, any such instrument or papers shall continue after the termination of this Agreement until the expiration of the last such intellectual property right to expire in any country of the world. If the Company is unable because of my mental or physical incapacity or unavailability or for any other reason to secure my signature to apply for or to pursue any application for any United States or foreign patents or copyright registrations covering Inventions or original works of authorship assigned to the Company as above, then I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney in fact, to act for and in my behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the application for, prosecution, issuance, maintenance or transfer of letters patent or copyright registrations thereon with the same legal force and effect as if originally executed by me. I hereby waive and irrevocably quitclaim to the Company any and all claims, of any nature whatsoever, which I now or hereafter have for infringement of any and all proprietary rights assigned to the Company.

(e) **Exception to Assignments**. I understand that the provisions of this Agreement requiring assignment of Inventions to the Company do not apply to any invention which qualifies fully under the provisions of California Labor Code Section 2870 (attached hereto as Exhibit B). I will advise the Company promptly in writing of any inventions that I believe meet such provisions and are not otherwise disclosed on Exhibit A.

5. **Returning Company Documents**. I agree that, at the time of termination of my Relationship with the Company, I will deliver to the Company (and will not keep in my possession, recreate or deliver to anyone else) any and all devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, laboratory notebooks, materials, flow charts, equipment, other documents or property, or reproductions of any aforementioned items developed by me pursuant to the Relationship or otherwise belonging to the Company, its successors or assigns. EXHIBIT A
SECURITY AGREEMENT

This Security Agreement is executed as of September 25, 2020, by Miyoko Schinner (“**Borrower**”) and Miyoko’s, PBC, a Delaware corporation (“**Company**”).

RECITALS

A. Borrower has executed a Full Recourse Promissory Note, dated of even date with this Agreement, with a principal amount of one hundred twelve thousand five hundred dollars (\$112,500) in favor of Company (the “**Note**”).

B. In order to induce Company to extend the credit evidenced by the Note, Borrower has agreed to enter into this Security Agreement and to pledge and grant to Company the security interest in the Pledged Collateral described below.

AGREEMENT

NOW, THEREFORE, in consideration of the above recitals and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Borrower hereby agrees with Company as follows:

1. Definitions and Interpretation. Unless otherwise defined herein, all other capitalized terms used herein and defined in the Note shall have the respective meanings given to those terms in the Note and all terms defined in the UCC shall have the respective meanings given to those terms in the UCC. For purposes hereof, “**UCC**” means the Uniform Commercial Code as in effect from to time in the State of California; provided, however, that if by reason of mandatory provisions of law, any or all of the perfection or priority of Company’s security interest in any item or portion of the Pledged Collateral is governed by the Uniform Commercial Code as in effect in a jurisdiction other than the State of Delaware, the term “**UCC**” means the Uniform Commercial Code as in effect from time to time in such other jurisdiction for purposes of the provisions hereof relating to such perfection or priority and for purposes of definitions relating to such provisions.
2. Collateral. To secure the Obligations as defined in Section 3 hereof, Borrower hereby pledges to, and grants to Company a security interest in, all of Borrower’s right, title and interest in, whether now existing or hereafter arising, the following property (the “**Pledged Collateral**”):
 - (a) The securities of Company listed on Schedule A (the “**Pledged Securities**”);
 - (b) All dividends (including cash dividends), other distributions (including redemption proceeds), or other property, securities, instruments or general intangibles received in respect of or in exchange for the Pledged Securities, whether by way of dividends, stock dividends, recapitalizations, mergers, consolidations, split-ups, divisions, combinations or exchanges of shares or otherwise; and

(c) All proceeds of the foregoing.

3. Security for Obligations. The obligations secured by this Security Agreement (the “**Obligations**”) shall mean the principal sum of the Note secured hereby, together with interest thereon, and all other obligations of Borrower or Company under the Note or this Security Agreement.

4. Delivery of Pledged Collateral; Financing Statements. All certificates or instruments representing or evidencing the Pledged Collateral shall be promptly (within five days of the date hereof or, if acquired after the date hereof, within five days of the date of acquisition) delivered to Company, accompanied by a stock power in form and substance satisfactory to Company. Company is authorized to file a UCC-1 financing statement and any necessary amendments covering the Pledged Collateral. If any of the Pledged Collateral consists of cash, the Company shall retain cash payment and deposit the same in an account controlled by the Company.

5. Release of Pledged Collateral.

(a) Payment of Note. At such time as Borrower pays all amounts owing under the Note in full, the Company will promptly thereafter: (i) will deliver to the transfer agent for the Company signed instructions to release the security interest in the Pledged Collateral; (ii) tender the stock power described in Section 4 back to the Borrower; (iii) deliver to the Borrower any portion of the Pledged Collateral consisting of cash; and (iv) file a UCC-3 termination statement necessary to effect the termination of the Company’s security interest in the Pledged Collateral.

(b) Payment on Approved Sale. With respect to any Pledged Collateral to be sold or transferred in an Approved Sale (the “**Approved Sale Collateral**”), the security interest in such Approved Sale Collateral shall be released to the extent and upon the terms specified in the Company’s consent to such Approved Sale. Upon such termination and request from Borrower, Company will file any UCC amendments or termination statements necessary to effect such termination and Company will execute and deliver to Borrower any additional documents or instruments as Borrower shall reasonably request to evidence such termination and deliver to the Borrower any stock certificates held by the Company pursuant to Section 4.

6. Representations and Warranties. Borrower hereby represents and warrants as follows:

(a) Ownership of Pledged Securities, Etc. The Pledged Collateral is owned by Borrower free and clear of any and all liens, pledges, encumbrances (other than encumbrances arising in connection with any agreement that the Company is party to) or charges, and Borrower has not optioned or otherwise agreed to sell, hypothecate, pledge, or otherwise encumber or dispose of the Pledged Collateral.

(b) Security Interest. The pledge of the Pledged Collateral creates a valid security interest in the Pledged Collateral, which security interest is (or will be upon the filing of the UCC-1 financing statement and/or the delivery of the Pledged Collateral

referenced in Section 4 above) a perfected and first priority security interest, securing the payment of the Obligations and the obligations hereunder.

- (c) Restatement of Representations and Warranties. On and as of each date the Pledged Securities becomes Pledged Collateral or any other property becomes Pledged Collateral, the foregoing representations and warranties shall be deemed restated with respect to all such Pledged Collateral.

7. Securities Restrictions. Borrower shall not sell, pledge (except to Company), or otherwise transfer (including transfer by gift, operation of law, or upon Borrower's death or disability), any Pledged Securities that remain Pledged Collateral or other securities or property that is Pledged Collateral without the written consent of Company. From time to time after the date hereof, Borrower shall promptly execute, acknowledge, and deliver any other assurances or documents or instruments reasonably requested by Company and/or reasonably necessary for Company to enforce the foregoing obligations or to obtain the benefits of the foregoing. Notwithstanding the foregoing, Borrower shall be allowed to sell or transfer Pledged Securities with the prior written consent of Company, which consent may be conditioned upon such terms and conditions specified by Company (such transaction, an "**Approved Sale**").

8. Further Assurances. Borrower agrees that at any time and from time to time, at Borrower's expense, Borrower will promptly execute and deliver all further instruments and documents, including without limitation all additional Pledged Securities, and take all further action, that may be necessary or desirable, or that Company may reasonably request, in order to perfect and protect any security interest granted or purported to be granted hereby or to enable Company to exercise and enforce its rights and remedies hereunder with respect to any Pledged Collateral.

9. Voting Rights; Dividends; Etc.

- (a) Rights Prior to an Event of Default. So long as no Event of Default shall have occurred and be continuing:
- (i) Borrower shall be entitled to exercise any and all voting and other consensual rights pertaining to the Pledged Collateral or any part thereof for any purpose not inconsistent with the terms of this Security Agreement.
 - (ii) Borrower shall be entitled to receive and retain free and clear of the security interest of Company hereunder any and all dividends and interest paid in respect of the Pledged Collateral, provided, however, that any and all (A) dividends and interest paid or payable other than in cash in respect of, and instruments and other property received, receivable or otherwise distributed in respect of, or in exchange for any Pledged Collateral, (B) dividends and other distributions paid or payable in cash in respect of any Pledged Collateral in connection with a partial or total liquidation or dissolution or in connection with a reduction of capital, capital surplus or paid-in-surplus, and (C) cash paid, payable or otherwise distributed in respect of principal of, or in

redemption of, or in exchange for, any Pledged Collateral, shall be, and shall be forthwith delivered to Company to hold as, Pledged Collateral and shall, if received by Borrower, be received in trust for the benefit of Company, be segregated from the other property or funds of Borrower and be forthwith delivered to Company as Pledged Collateral in the same form as so received (with any necessary endorsement) to be held as part of the Pledged Collateral.

- (b) Rights Following an Event of Default. Upon the occurrence and during the continuance of an Event of Default:
 - (i) All rights of Borrower to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant to Section 9(a)(i) and to receive the dividends and interest payments which it would otherwise be authorized to receive and retain pursuant to Section 9(a)(ii) shall cease and all such rights shall thereupon become vested in Company, which shall thereupon have the sole right, but not the obligation, to exercise such voting and other consensual rights and to receive and hold as Pledged Collateral such dividends and interest payments; and
 - (ii) All dividends and interest payments which are received by Borrower contrary to the provisions of subparagraph (i) of this Section 9(b) shall be received in trust for the benefit of Company, shall be segregated from other funds of Borrower and shall be forthwith delivered to Company as Pledged Collateral in the same form as so received (with any necessary endorsement).

10. Events of Default; Remedies.

- (a) Event of Default. An Event of Default shall be deemed to have occurred under this Security Agreement upon the occurrence and during the continuance of an Event of Default under the Note.
- (b) Rights Under the UCC. In addition to all other rights granted hereby, or under the Note, and otherwise by law, Company shall have with respect to the Pledged Collateral the rights and obligations of a secured party under the UCC.
- (c) Sale of Pledged Collateral. Borrower acknowledges and recognizes that Company may be unable to effect a public sale of all or a part of the Pledged Collateral and may be compelled to resort to one or more private sales to a restricted group of purchasers who will be obligated to agree, among other things, to acquire the Pledged Collateral for their own account, for investment and not with a view to the distribution or resale thereof. Borrower acknowledges that any such private sales may be at prices and on terms less favorable to Company than those of public sales (and may be at prices below the most recent fair market value for common stock determined by Company's Board of Directors), and agrees that so long as such sales are made in good faith such private sales shall be deemed to have been made in a commercially reasonable manner and

that Company has no obligation to delay sale of any Pledged Collateral to permit the issuer thereof to register it for public sale under the Securities Act of 1933, as amended or under any state securities law.

- (d) Compliance with Laws. Upon the occurrence and during the continuance of an Event of Default, and at Company's request, Borrower further agrees to use Borrower's best efforts to cooperate with Company in taking whatever additional action may be required to effect such public or private sale of the Pledged Collateral in compliance with applicable laws.
- (e) Notice, Etc. In any case where notice of sale is required, ten (10) days' notice shall be deemed reasonable notice. Company may have resort to the Pledged Collateral or any portion thereof with no requirement on the part of Company to proceed first against any other Person or property.
- (f) Records and Information. Upon the occurrence and during the continuance of an Event of Default, at the request of Company, Borrower shall assemble and make available to Company all records relating to the Pledged Collateral at any place or places specified by Company, together with such other information as Company shall request concerning Borrower's ownership of the Pledged Collateral and relationship to Company.

11. Secured Party Appointed Attorney-in-Fact. Borrower hereby appoints Company as Borrower's attorney-in-fact, with full authority in the place and stead of Borrower and in the name of Borrower or otherwise, from time to time in Company's discretion and to the full extent permitted by law to take any action and to execute any instrument which Company may deem reasonably necessary or advisable to accomplish the purposes of this Security Agreement in accordance with the terms and provisions hereof, including without limitation, to receive, endorse and collect all instruments made payable to Borrower representing any dividend, interest payment or other distribution in respect of the Pledged Collateral or any part thereof and to give full discharge for the same. Borrower hereby ratifies all reasonable actions that said attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable. The powers conferred on Company hereunder are solely to protect its interests in the Pledged Collateral and shall not impose any duty upon Company to exercise any such powers. Company shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and in no event shall Company or any of its officers, directors, employees or agents be responsible to Borrower for any act or failure to act, except for gross negligence or willful misconduct.

12. Miscellaneous

- (a) Notices. Except as otherwise provided herein, all notices, requests, demands, consents, instructions or other communications to or upon Company or Borrower under this Agreement or the Note shall be in writing and mailed, sent by facsimile or electronic mail or otherwise delivered by hand, messenger or courier service to each

party at the address or email address last given to the other party. All such notices and communications shall be effective (a) when sent by an overnight service of recognized standing, on the business day following the deposit with such service; (b) when mailed by registered or certified mail, first class postage prepaid and addressed as aforesaid through the United States Postal Service, upon receipt; (c) when delivered by hand, upon delivery; and (d) when transmitted by electronic mail, upon confirmation of receipt or upon proof of delivery obtained by the sender.

- (b) Nonwaiver. No failure or delay on Company's part in exercising any right hereunder shall operate as a waiver thereof or of any other right nor shall any single or partial exercise of any such right preclude any other further exercise thereof or of any other right.
- (c) Amendments and Waivers. This Security Agreement may not be amended or modified, nor may any of its terms be waived, except by written instruments signed by Borrower and Company. Each waiver or consent under any provision hereof shall be effective only in the specific instances for the purpose for which given.
- (d) Assignments. This Security Agreement shall be binding upon and inure to the benefit of Company and Borrower and their respective successors and assigns; provided, however, that Borrower may not assign its rights and duties hereunder without the prior written consent of Company and any assignment without such consent shall be null and void.
- (e) Cumulative Rights, etc. The rights, powers and remedies of Company under this Security Agreement shall be in addition to all rights, powers and remedies given to Company by virtue of any applicable law, rule or regulation of any governmental authority, the Note or any other agreement, all of which rights, powers, and remedies shall be cumulative and may be exercised successively or concurrently without impairing Company's rights hereunder. Borrower waives any right to require Company to proceed against any Person or to exhaust any collateral or to pursue any remedy in Company's power.
- (f) Payments Free of Taxes, Etc. All payments made by Borrower under this Security Agreement shall be made by Borrower free and clear of and without deduction for any and all present and future taxes, levies, charges, deductions and withholdings. In addition, Borrower shall pay upon demand any stamp or other taxes, levies or charges of any jurisdiction with respect to the execution, delivery, registration, performance and enforcement of this Security Agreement. Upon request by Company, Borrower shall furnish evidence satisfactory to Company that all requisite authorizations and approvals by, and notices to and filings with, governmental authorities and regulatory bodies have been obtained and made and that all requisite taxes, levies and charges have been paid.

- (g) Partial Invalidity. If any time any provision of this Security Agreement is or becomes illegal, invalid or unenforceable in any respect under the law or any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Security Agreement nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired thereby.
- (h) Expenses. Each of Borrower and Company shall bear its own costs in connection with the preparation, execution and delivery of, and the exercise of its duties under, this Security Agreement and the Note. Borrower shall pay on demand all reasonable fees and expenses, including reasonable attorneys' fees and expenses, incurred by Company with respect to any amendments or waivers hereof requested by Borrower or in the enforcement or attempted enforcement of any of the Obligations or in preserving any of Company's rights and remedies (including, without limitation, all such fees and expenses incurred in connection with any "workout" or restructuring affecting this Agreement, the Note or the Obligations or any bankruptcy or similar proceeding involving Borrower or any of its Subsidiaries).
- (i) Termination of Security Interest. Upon the payment in full of all of the Obligations, the security interest granted herein shall terminate and all rights to the Pledged Collateral shall revert to Borrower.
